Master Terms and Conditions

1. Services.

1.1 Scope of Services. These Master Terms and Conditions govern all of the services to be provided by EFS to Customer as described in Section II above of this Agreement and as more particularly set forth in the attached exhibits and any schedules attached thereto (collectively the "Services"). Each such exhibit may contain additional terms and conditions which are applicable solely to the Services described in such exhibit.

1.2 Business Purpose. Customer represents and warrants to EFS that (i) it is a governmental, non-profit, or commercial business enterprise; (ii) the Services provided to Customer will be used by Customer and its employees and other authorized users for valid and lawful business purposes only; (iii) any Services that may be used to make purchases and or obtain cash will not be used for personal, family or household purposes.

1.3 Merchants. EFS does not guarantee any merchant's timely application of payment when Customer uses any of the Services at such merchant's facilities, and EFS will not be liable for any late payment fees assessed or any disrupted services between such merchant and Customer that may result in the event a Merchant fails to timely apply any amounts received from EFS to Customer's account. Customer understands that EFS notifies Merchant of Customer payment via email or facsimile as established during Customer Merchant set up. Customer is responsible to monitor payments and use the available online reporting to ensure their Merchants process payments accordingly.

1.4 Stopped Payment. Customer acknowledges that once a payment is processed using any Services, EFS cannot "stop payment" on the transaction. Customer instead must follow the disputed transaction process outlined in the policies posted on the EFS Website (defined below).

2. Term and Termination.

2.1 Term. This Agreement commences on the date of EFS' signature on the first page of this Agreement ("Effective Date") and will extend for so long as any term under any exhibit attached hereto continues in force (the "Term").

2.2 Termination.

2.2.1 Either party may terminate this Agreement if the other: (i) is dissolved, becomes insolvent, generally fails to pay or admits in writing its general inability to pay its debts as they become due; (ii) makes a general assignment, arrangement, or composition agreement with or for the benefit of its creditors; (iii) files a petition in bankruptcy or institutes any action under federal or state law for the relief of debtors; (iv) seeks or consents to the appointment of an administrator, receiver, custodian, or similar official for the wind up of its business; or (v) becomes the subject of an involuntary petition in bankruptcy or any involuntary proceeding related to insolvency, receivership, liquidation or composition for the benefit of creditors, and such proceeding is not dismissed or stayed within thirty (30) days.

2.2.2 EFS may terminate this Agreement, suspend all or a portion of its Services, or, if applicable, reduce Customer's Credit Limit (including to a level below Customer's outstanding balance) immediately if (i) Customer's performance of its obligations or use of the Services violates any federal, state or local law, rule or regulation; (ii) EFS reasonably determines that a material adverse change has occurred in Customer's financial condition, or that such a change is reasonably likely to occur in the next twelve (12) months; (iii) Customer fails to pay any amount due within five (5) days of its due date (provided EFS may immediately suspend Services in the event of untimely payment); (iv) EFS reasonably determines, based on its evaluation of Customer's credit, financial condition or business prospects, that the extension of credit contemplated hereunder is not appropriate or in the best interests of EFS; (v) Customer fails to supply EFS with annual financial statements or supplies incorrect information; (vi) EFS receives reliable information that Customer is unwilling or unable to perform under this Agreement or that indicates a serious delinquency or charge off with other creditors; or (vii) Customer relocates outside the United States.

2.2.3 Termination will not affect Customer's responsibility to pay, or EFS' right to recover, any amounts for which Customer or any guarantor is liable or obligated in connection with this Agreement, and upon termination, Customer shall immediately pay all such amounts owing in connection with this Agreement, without set-off or deduction. EFS will be entitled to recover all costs of collection, including without limitation attorneys' fees, in the event such amounts are not paid immediately.

2.2.4 The termination of any specific Exhibit will not affect any party's rights or obligations with respect to any other Exhibit that remains in force or any provision that survives termination of such Exhibit or this Agreement. Upon the termination of this Agreement in accordance with Sections 2.2.1 or 2.2.2, all Exhibits will automatically be terminated.

3. Fees, Invoicing and Payment.

3.1 Fees. Customer will pay EFS for all expenditures, fees, additional service fees and special fees, costs and charges (collectively, "Fees") if any, incurred for the Services provided by EFS, together, if applicable, with any and all charges on Customer's account for goods or services purchased by Customer or anyone authorized to use Customer's account. The Fees for the Services are set forth in each applicable Exhibit. EFS reserves the right to modify the Fees applicable to the Services from time to time. EFS will notify Customer electronically of any change it makes to its Fees in accordance with Section 13 below, and such change will be effective no earlier than the date of receipt by Customer of such electronic notice.

3.2 Taxes. Except for EFS' income tax, Customer will pay, or reimburse EFS for, any and all applicable sales, use, excise, franchise or other taxes (collectively, "Taxes"), whether federal, state or local, however designated, which are levied or imposed with respect to Customer's use of Customer's card.

3.3 Invoicing. Customer agrees that payments for Fees are due and payable upon receipt of invoice. If payment is not received (or if an invoice is not paid in full) on its due date, EFS will impose a late charge equal to the lesser of one and one-half percent (1-1/2%) per month or the maximum amount allowed by law, on the unpaid balance.

3.4 Non-Sufficient Funds. In the event Customer's payment to EFS is dishonored or otherwise not paid, Customer shall pay immediately to EFS in collected funds, the amount of the non-sufficient funds item plus a returned instrument collection fee of a minimum of thirty dollars (\$30.00) in addition to any other remedy EFS may pursue under this Agreement or applicable law.

3.5 Currency Exchange. Customer agrees that all indebtedness incurred through use of the Services in the United States or Canada to purchase goods or services or to otherwise obtain funds in a currency other than the currency in which Customer's card or other access device is issued will be converted to the currency in which Customer's card or

access device is issued. The currency conversion rate used by EFS to determine the transaction amount is generally the daily noon exchange rate for conversion of Canadian dollars to U.S. dollars, or U.S. dollars to Canadian dollars, as applicable, as posted by the Bank of Canada each business day, plus two currency basis points. EFS may use either a government-mandated rate or a wholesale rate determined by EFS for the processing cycle in which the transaction is processed. The currency conversion rate EFS uses on the processing date may differ from the rate that would have been used on the purchase date or Customer's statement posting date.

4. **Compliance with Law.** Customer and EFS will comply with, and will not use or provide the Services in violation of, any United States or Canadian federal, state, provincial or local laws, regulations, judicial or administrative decisions, executive orders, rules or interpretations ("Legal Requirements"), and each party will be solely liable for any violation by such party of applicable Legal Requirements. Each party is responsible for (i) monitoring and interpreting Legal Requirements applicable to such party; and (ii) determining the particular actions, disclosures, formulas, calculations, or procedures required for compliance with such party's Legal Requirements (whether to be performed by EFS or by Customer). Neither party shall be responsible for any violation by the other party of the other party's Legal Requirements.

5. **Disclaimer of Warranties.** Except as specifically set forth in this Agreement, EFS disclaims all warranties, express or implied, including without limitation, warranties of merchantability or fitness for a particular purpose, which relate to the Services provided under this Agreement. Further, EFS does not warrant that Customer's use of the Services will be uninterrupted or error-free. This Agreement is a service agreement, and any equipment provided to Customer under this Agreement is incidental to the Services provided and remains the property of EFS.

6. Limitation of Liability.

6.1 Subject to any other limitations in the exhibits attached hereto, EFS' cumulative liability for any loss or damage, from any cause whatsoever, will be limited to the lesser of (i) One Hundred Thousand Dollars (\$100,000); or (ii) the amount of the Fees paid to EFS by Customer for Services performed in the preceding twelve (12) month period.

6.2 NEITHER PARTY SHALL BE LIABLE UNDER ANY THEORY FOR SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL (INCLUDING LOST PROFITS), EXEMPLARY OR PUNITIVE DAMAGES; REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEEABLE OR SUCH PARTY WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

6.3 Neither party may bring an action (regardless of form) for breach of this Agreement more than two (2) years after such party first knew or should have known of such breach; provided, however, this limitation will not apply to breaches of the confidentiality requirements herein. Each party will act to mitigate its damages.

7. Indemnification.

7.1 Customer Indemnity. Subject to Sections 6.2 and 6.3, Customer will indemnify, defend and hold harmless EFS, its directors, officers, employees, affiliates and agents against any third party claims, losses, costs, fines, penalties or damages (including court costs and reasonable attorneys' fees) (collectively, "Claims") arising out of or connected with Customer's (and Customer's users', affiliates', employees', agents' or representatives') (i) gross negligence or willful misconduct; (ii) material breach of this Agreement; (iii) use or misuse of any Service or product thereof or the EFS Website; (iv) actual infringement of any patent, copyright, trademark, service mark, trade secret or other proprietary right of a third party; or (v) negligence or willful misconduct resulting in a Security Incident (defined below) affecting EFS' systems. Customer will not indemnify EFS for Claims arising from EFS' acts or omissions for which Customer is entitled to indemnification.

7.2 EFS Indemnity. Subject to Section 6, EFS will indemnify, defend and hold harmless Customer, its directors, officers, employees, affiliates and agents against any third party Claims arising out of or in connection with EFS' (and EFS' affiliates', employees', agents' or representatives') (i) gross negligence or willful misconduct; (ii) a material breach of this Agreement; or (iii) actual infringement of any patent, copyright, trademark, service mark, trade secret or other proprietary right of a third party by use of the Services, except to the extent such claim is caused by, relates to or arises out of (a) Customer's negligence, willful misconduct, or failure to use the Services (including any product thereof) as permitted under this Agreement or (b) Customer's configuration or use of the Services (including any product thereof) in combination with other software, equipment, services, elements, components or systems that are not provided by EFS. EFS will not indemnify Customer for Claims arising from any errors or omissions in any information, data or instructions Customer provides to EFS for use in connection with the Services, or Customer's or its users' acts or omissions for which EFS is entitled to indemnification, or

any claim or issue Customer may have with goods or services purchased using Customer's card.

8. Confidential Information; Information Security.

8.1 Confidential Information. "Confidential Information" means all data or information that is competitively sensitive material and/or not generally known to the public; including, but not limited to, information which is marked confidential or proprietary, customer lists (but excluding payment data), technology, inventions, systems, operations, facilities, products, services, discoveries, ideas, concepts, research, development, processes, operating procedures, marketing, business and development plans, pricing, policies and financial information. Confidential Information does not include information which: (i) is or becomes part of the public domain through no fault of the receiving party; (ii) was already known to the receiving party prior to its disclosure; (iii) is lawfully obtained from a third party without obligations of confidentiality; or (iv) is independently developed by the receiving party without reference to any Confidential Information of the other party.

8.2 Disclosure and Use Restrictions. Neither party will disclose, reproduce, transfer or use the other party's Confidential Information; provided, however, that (i) EFS' employees, affiliates, agents, advisors or subcontractors may access and use Customer's Confidential Information or Personal Information (defined below) in connection with providing the Services provided such persons will comply with the confidentiality provisions of this Agreement and (ii) either party may disclose Confidential Information to the extent it must be communicated in response to a valid law, regulation or court order, provided the disclosing party uses reasonable efforts to notify the other party prior to disclosure (unless such notification is prohibited by law, regulation or court order) so such party may seek a protective order or otherwise prevent or limit such disclosure.

8.3 Information Security. Each party is responsible for: (a) the security of non-public or personally identifiable information ("Personal Information") on the systems under its control; and (b) data security issues arising from its systems, or directly resulting from its use of third party vendors or subcontractors (if any) in connection with the Services. Personal Information will also include any nonpublic personal information of a consumer, each as defined by Section 6809 of the Gramm-Leach-Bliley Act. Each party will maintain information security practices designed to prevent unauthorization or unlawful access to, use, disclosure or alteration of Personal Information (collectively, a "Security Incident"). In the event of a Security Incident, the affected party will comply with applicable law and in the event Personal Information was compromised and it is reasonably suspected that misuse will result, notify the other party of the Security Incident, subject to any request by law enforcement or other government agency to withhold such notice pending the completion of an investigation. EFS is not responsible for and does not control third party telecommunication lines used to provide the Services; and will not be responsible for the security of transmissions using these lines.

8.4 Equitable Relief. EFS and Customer agree there is no adequate remedy at law for a breach of the confidentiality, disclosure, use, safeguarding and ownership requirements (collectively, the "Confidentiality Requirements") related to Confidential Information and Personal Information under this Agreement. A breach of the Confidentiality Requirements will cause irreparable harm such that the non-breaching party will not have an adequate remedy at law; and, therefore, the non-breaching party will be entitled to seek injunctive relief (without posting a bond or other security) against the breaching party in addition to any other rights or remedies available at law or in equity.

9. Customer Data; Data Analytics.

9.1 Customer Data and Analytics. Customer shall be responsible for ensuring the validity, accuracy and completeness of all information, data and instructions (including Personal Information as defined above) provided to EFS (collectively "Customer Data"). EFS shall be entitled to rely upon the Customer Data in providing the Services. EFS shall not be required to act on instructions provided by Customer if EFS reasonably doubts an instruction's contents or Customer's compliance with this Agreement or any Legal Requirements. Subject to the provisions of Section 8 herein, EFS and/or its affiliates may extract information from the Customer Data provided to EFS by Customer and use this information with any other data in connection with research and development or creation of data and analytics tools and products in accordance with applicable law. Customer represents that it has sufficient rights (and has made sufficient disclosure to its users) in the information provided hereunder to authorize such use. EFS or its affiliates will own all right, title or interest in or to any information, products, services or intellectual property arising from such data and analytics research and development activities. EFS and its affiliates' access to and use of information, including use in commercial

products developed as a result of or in connection with such research and development activities, will not be a violation of this Agreement.

9.2 Number of Vehicles. Some of the Services provided by EFS hereunder may be billed on the basis of the number of vehicles or other equipment with respect to which Customer is using the Services. Customer will keep EFS updated of any changes in the number of Customer's vehicles utilizing any such EFS Services, and EFS will not be responsible for any errors in billing that result from any failure on the part of Customer to do so.

10. Intellectual Property.

10.1 Ownership. Except as expressly provided herein, this Agreement does not grant either party any right, title, interest, or license (express or implied) to any patent, trademark, service mark, copyright, trade secret or proprietary right associated with, on the part of EFS, the Services, or, on the part of either EFS or Customer, applications or business methods of the other party (or those of such party's affiliates) required or provided in connection with the Services (whether owned or licensed by such party or its affiliates or a third party); or arising from EFS or its affiliates' research and development activities.

10.2 Use of Marks and Publicity. Neither party will use any trademark, service mark, trade name or other proprietary designation (collectively, "Marks") owned, licensed or registered by the other party without prior written consent; provided, however, EFS may use Customer's name in publicity indicating that Customer and EFS have entered into a contractual relationship. A breach of the terms of this Agreement related to the use of a party's Marks will cause irreparable harm such that the non-breaching party will not have an adequate remedy at law and, in addition to any other rights or remedies available at law or in equity, will be entitled to seek injunctive relief against the breaching party (without posting a bond or other security).

11. Verification; Credit Limit and Security.

11.1 Verification. Customer represents and warrants to EFS that the Application attached hereto as Schedule to EFS MSA (the "Application") is complete and accurate. Customer acknowledges that EFS' acceptance of this Agreement is contingent upon EFS' approval of Customer's Application. Customer grants to EFS, as well as to trade references, Dun and Bradstreet, and banks, consumer credit services, consumer reporting agencies and to state and federal government representatives without regard to whether they are listed herein, permission and authorization to verify, receive, retain, exchange and obtain business and/or personal credit and other information, including without limitation, financial statements, accounts receivable information, criminal background checks, as part of EFS' ongoing evaluation of Customer and as necessary to comply with applicable Legal Requirements and EFS' record retention policies and practices.

11.2 Credit Limit. EFS shall determine, in its sole discretion, whether to establish a monetary limit ("Credit Limit") that will be applicable to Customer's use of the Services. EFS may increase or decrease such Credit Limit from time to time, in its sole discretion. It is EFS' policy to promptly notify Customer upon establishment of a Credit Limit or any change thereto, but EFS will not be liable in the event it fails to do so. EFS does not guarantee that it will establish or maintain any specific available Credit Limit for Customer, and Customer hereby waives any and all claims against EFS and its affiliates based on EFS' determination of Customer's Credit Limit. Customer agrees not to request or permit transactions using the Services in excess of its Credit Limit. In the event Customer exceeds its Credit Limit, EFS may, in its sole discretion, demand immediate payment, immediately suspend providing the Services, and/or charge an additional service fee.

11.3 Security Interest. Customer hereby grants to EFS a security interest in all of the present and future assets described below, whether now owned or hereafter acquired, together with all proceeds of and rights in connection with such property (herein called "Collateral") to secure the performance of all obligations of Customer owing to EFS. The Collateral includes: all accounts and interests in goods represented by accounts; contract rights; commercial paper; chattel paper; general intangibles; including without limitation, tax and duty refunds; registered and unregistered patents, trademarks, service marks, copyrights, tradenames and applications the foregoing, trade secrets, goodwill, processes, drawings, blueprints, customer lists, licenses, and any and all existing and future leasehold interests; documents; instruments; letters of credit; and deposit accounts.

12. EFS Website. EFS may provide Customer with access to the website operated by EFS in connection with the Services ("EFS Website"). Customer and any employees who are designated and authorized by Customer to use the EFS Website will comply with all policies and the Terms of Use posted on the EFS Website, as the same may be modified from time to time.

13. Consent to Electronic Communications and Notices. Customer hereby consents to electronic delivery of the following documents and accepts any future changes to those documents that may be published from time to time on the EFS Website and/or delivered electronically to Customer: Online Electronic Disclosure and Consent Agreement, All Product and Service Disclosures, Periodic Statements, Notices, History and Transaction Records, Change-in-Terms, Adverse Action Notices and Changes to Minimum Hardware and Software Requirements. By consenting to conduct transactions and receive disclosures and notices electronically Customer agrees to provide EFS with the information needed to communicate electronically. Customer agrees to keep the e-mail and account information current at all times and to notify EFS immediately if it changes. If Customer fails to update or correct the email, EFS may freeze the account until Customer contacts EFS and provides corrected information. By signing this Agreement or by using any Services, Customer agrees to continue to have (or have access to) the minimum hardware and software required to access the EFS Website and receive the electronic notices above.

14. General.

14.1 Governing Law. Tennessee law will govern the interpretation, validity and enforcement of this Agreement, without regard to its conflicts of law.

14.2 Dispute Resolution. Any claim or demand relating to goods and/or services purchased using the Customer's card shall be resolved between the Customer and the merchant providing the goods and/or services. Subject to the foregoing, any dispute arising out of or relating to this Agreement shall be resolved pursuant to binding arbitration. Said arbitration shall take place in Nashville, Tennessee, and be governed by the then-current Commercial Arbitration Rules of the American Arbitration Association (the "Rules"). The parties shall mutually agree on a single arbitrator, or if the parties cannot agree, the arbitrator shall be selected in accordance with the Rules. Should a further dispute arise regarding either the interpretation or the enforcement of the arbitrator's ruling, the parties' remedy shall be to re-submit the matter to the same arbitrator, if available, and if not, to an arbitrator mutually agreed to by the parties (or if the parties cannot agree, one selected in accordance with the Rules). Following arbitration, the prevailing party shall be entitled to recover its reasonable costs of arbitration, including reasonable attorney's fees. In the event that the arbitrator orders Customer to pay money to EFS, Customer shall pay interest upon such sums at the interest rate provided in this Agreement from the date the money was first due to EFS. Customer shall pay all sums not disputed in good faith in strict accordance with this Agreement.

14.3 Severability. Any provision of this Agreement that is determined by a court of competent jurisdiction or arbitrator to be illegal, invalid or unenforceable will be deemed void; and the remainder of this Agreement will continue in full force and effect. To the extent any provision is deemed void pursuant to the foregoing, the court or arbitrator will substitute a valid provision approximating the intent of the parties.

14.4 Headings. The headings in this Agreement are for reference only.

14.5 Entire Agreement; Amendments. This Agreement constitutes the entire agreement between Customer and EFS, and supersedes all prior agreements, written or oral, related to the Services. This Agreement includes, and incorporates, the attached Exhibits and/or schedules. Any amendment to this Agreement must be in writing and signed by EFS and Customer.

14.6 Counterparts. This Agreement may be executed in two or more counterparts, each of which is deemed an original, and all of which together constitute one and the same instrument. Facsimile, electronic or other copies of the executed Agreement are deemed valid and effective.

14.7 Assignment. This Agreement may not be assigned, voluntarily or by operation of law, by either party without prior written consent from the other party, which will not be unreasonably withheld. Consent, however, is

not needed for EFS to assign this Agreement to an affiliate or in connection with a merger, acquisition or sale of all or substantially all of EFS' assets.

14.8 Subcontractors. EFS may subcontract all or any portion of the Services using vendors both within and outside the United States.

14.9 Notices. All notices or other communications under this Agreement will be deemed effective (i) three (3) days after mailing by first class registered or certified mail, postage prepaid, return receipt requested; or (ii) one (1) day after mailing by nationally recognized courier service. Any notice or other communication sent in any other manner will be effective upon receipt. Any notice to (a) EFS shall be directed to the attention of General Counsel, Electronic Funds Source, LLC, 3100 West End Avenue, Suite 1150, Nashville, Tennessee 37203 (b) Customer shall be directed to the person and address listed in the Application; or such other address as such party may designate in writing.

14.10 Survival of Obligations. Sections 1.2, 1.3, 1.4, 2.2.3, 2.2.4, 3, 5, 6-10, 11.3, 14, obligations of any guarantors of Customer's obligations hereunder, all representations and warranties of Customer set forth herein or in any exhibit or schedule attached hereto, and any limitation of liability set forth in any exhibit or schedule attached hereto, will survive termination of this Agreement and/or such exhibit or schedule, as applicable.

14.11 Independent Contractors. EFS and Customer are independent contractors. Nothing in this Agreement will be deemed to create a joint venture, partnership, employment or similar relationship between the parties. Except as specifically provided for herein, neither party will be liable for any obligation incurred by the other; neither party is an agent or representative of the other; and neither party will represent otherwise.

14.12 Waiver. No delay or single, partial, failure, abandonment or discontinuance of either party to exercise any right, power or privilege hereunder will affect such right, power or privilege. The parties' rights and remedies under this Agreement, at law, and in equity are cumulative and not exclusive. Any waiver, consent or approval of any failure to comply, breach or default under this Agreement must be in writing, will be effective only to the extent set forth in such writing and will not continue to apply to additional failures to comply, breaches or defaults.

14.13 Force Majeure. Neither party will be in default under this Agreement, and such party will be excused from performing its obligations, if its performance is prevented, restricted, delayed or interfered with due to a Force Majeure Event, whether foreseen or not. A "Force Majeure Event" includes (i) labor disputes, strikes, riot or other civil unrest; (ii) flood, hurricane, tornado, lightning, severe weather, earthquake or other natural disaster; (iii) rationing or other shortage of materials; (iv) utility failures, electronic transmission failures or other electronic or communication failures or delays; (v) terrorism, embargo, blockade, revolution or other acts of war; (vi) any change in laws, orders, rules, regulations, ordinances or other governmental or judicial acts impairing performance, (vii) acts of God, or (viii) any event that is beyond a party's reasonable control. Notwithstanding anything to the contrary in this Agreement, the duty of Customer to remit payment to EFS is absolute and shall not be diminished, excused or discharged by any Force Majeure Event.

14.14 Office of Foreign Asset Control. IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT. To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

14.15 Language. The parties have requested that this Agreement be drafted in English. Les parties aux présentes ont exigé que le présent contrat soit rédigé en langue anglaise.
